## ABOUT MYSELF

A second-year software engineering student with a passion for exploring emerging technologies, AI, and cybersecurity. I enjoy engaging in social and community activities that leverage technological skills to solve humanitarian challenges. I'm always eager to get involved in new projects and opportunities that expand my network and knowledge.

## EDUCATION AND TRAINING

01/09/2023 – CURRENT Gabes, Tunisia  
**SOFTWARE ENGINEERING** Higher Institute of Computing and Multimedia of Gabès

**Address** Zrig, 6033, Gabes, Tunisia | **Website** <http://www.isimg.rnu.tn>

15/09/2021 – 01/06/2023 Zrig, 6033, Gabes, Tunisia  
**PREPARATORY CYCLE** Higher Institute of Computing and Multimedia of Gabès

**Website** <http://www.isimg.rnu.tn>

01/07/2024 – 30/08/2024 India  
**INTERNSHIP** Emertex

Developed a smart home system using Arduino, PISCM Lab, and Blynk. Worked on integrating sensors and actuators to automate home features such as lighting, temperature control, and security systems. Gained hands-on experience in IoT device connectivity, data management, and real-time monitoring through mobile applications.

**Website** <https://www.emertxe.com/> | **Field of study** Information and Communication Technologies (ICTs)

01/08/2024 – 15/08/2024 Gabes, Tunisia  
**INTERNSHIP** MG MAXI

During my internship, I gained hands-on experience in various aspects of Huge Market management, including the reception of goods and stock management, handling store accounting, cashier operations, and invoicing for companies. I also coordinated commercial activities and shelf organization, managed customer journeys, and contributed to human resources management, ensuring the overall smooth operation of the Market. This experience enhanced my skills in operations, team coordination, and customer service.

**Field of study** Business, administration

## LANGUAGE SKILLS

Mother tongue(s): **ARABE**  
Other language(s): **ENGLISH** | **FRENCH**

## SKILLS

Microsoft Office | Social Media | Microsoft Powerpoint | canva | Wordpress | javascript | python | oracle | react JS | ISTQB Basics | java | php | Git & Githubs | Photoshop And Figma | AGILE principles | Scrum Fundamentals

## CERTIFICATES

### Certificate of Completion – Innovation and Entrepreneurship

Certified in Innovation and Entrepreneurship by Avila University (USA) & University of Carthage (Tunisia), June 2024.  
**Link** <https://www.linkedin.com/in/rakia-souei-b98a0822b/details/certifications/>

### Generative AI Nvidia

Focused on foundational concepts and implementation of diffusion-based generative AI models.

## The Hashgraph Developer Course

---

Covered building decentralized applications using Hedera Hashgraph technology.

## Python 101 for Data Science

---

Introduction to Python programming for data analysis and machine learning.

## Scrum Fundamentals Certified (SFC)

---

Covered Agile principles, Scrum roles, events, and artifacts in software project management.

## ● CONFERENCES & SEMINARS

---

30/11/2024 – 03/12/2024 Caire, Egypt

### IEEE Computer Soceity R8 Congress

---

IEEE CS R8 SYP is an international congress that gathers engineers and professionals from around the world, where SYP stands for Students and Young Professionals.

Link <https://r8-cs-syp.ieee.org.eg/>

15/10/2024 – 16/10/2024 Hammamet, Tunisia

### IEEE Women In Engineering Annual Congress of Tunisia 4.0

---

Women In Engineering Annual Congress of Tunisia is a conference that promotes the missions, purposes, and visions of IEEE and Women in Engineering.

Link <https://wie.ieee.tn/>

13/10/2024 – 15/10/2024 Sousse, Tunisia

### IEEE Industry Applications Society Tunisia Annual Meeting 4.0

---

This congress is specifically designed for the practicing engineer interested in this field, and emphasizes professional development, learning from experts, knowledge-sharing, and networking.

Link <https://ias-am.ieee.tn/>

19/12/2022 – 21/12/2022 Monastir, Tunisia

### AIESEC NATCO National Conference

---

AIESEC NatCo is a national conference organized by AIESEC to bring together young leaders and members from across the country, including many from engineering backgrounds, to collaborate, learn, and grow.

## ● VOLUNTEERING

---

JCI Gabes Member – 2025

---

IEEE ISIMG IAS SBC Chair – 2024 & 2025

---

IEEE ISIMG SB Vice Chair – 2024

---

IEEE WIE Collaboratec content creator – 2025

---

AIESEC Tacapes member 2022-2024

---

## ● SOCIAL & POLITICAL ACTIVITIES

---

DevHACH – Second Place Winner – 2024

---

Chair of the Organizing Committee, Ecoguardians Competition 1.0 – 2024

---

Volunteered on the Organizing Committee, Gabes Cinema Fan Festival – 2024 & 2025

---

Student Entrepreneur Status – Renamed (2025)

---

Winner, IEEE R8 CS SYP "Share Your Journey" Contest – 2024

---

Inspiring Student Ambassador, IEEE R8 SIGHT – 2024

---
